

ANTIOXIDANTS – TROPICAL

Superior anti-ageing complex

DIRECTIONS: Take 1 serving 1 – 2 times per day. For each serving add the contents of one sachet to a glass, add 200 – 250ml of chilled water and stir vigorously until thoroughly mixed.

NUTRITION FACTS

		Amount Per Serving	% RDA*
ENERGY	(kJ)	124.6	
	(kcal)	29.2	
Protein (g)		0.1	
Total Carbohydrate (g)		7.2	
Available Carbohydrate (g)		7.2	
of which sugars (g)		4.2	
Fat (g)		0.0	
of which saturates (g)		0.0	
Fibre (g)		0.0	
Sodium (g)		0.1	

ANTIOXIDANT NUTRIENT

ActiVin® Grape Seed Extract	50 mg	
OligomericProanthoCyanidins (OPCs)	40 mg	

SYNERGISTIC CO-FACTORS

Vitamin A (as acetate and Caromin® natural mixed carotenoids)	400 µg	50%
Retinol	280 µg	
Beta-carotene	645 µg	
Alpha-carotene	323 µg	
Gamma-carotene	13 µg	
Other Carotenoids	19 µg	
Vitamin C (as ESTER-C® EG)	250 mg	417%
Vitamin E (as natural mixed tocopherols and Tocomin® tocotrienols)	20 mg	200%
Gamma Tocopherol	10.4 mg	
Alpha Tocopherol	8.3 mg	
Delta Tocopherol	1.0 mg	
Beta Tocopherol	76 µg	
Gamma Tocotrienol	76 µg	
Alpha Tocotrienol	45 µg	
Delta Tocotrienol	20 µg	
Beta Tocotrienol	6 µg	

ABSORPTION ENHANCER

Bioperine® Black Pepper Extract	1.25 mg	
---------------------------------	---------	--

* %RDA = Recommended Daily Allowance

INGREDIENTS: Fructose, Maltodextrin, Natural Preservatives (Citric Acid, Malic Acid), Natural Flavourings, Natural Colouring (Beetroot Powder), Natural Mixed Carotenoids, Sodium Bicarbonate, Calcium Ascorbate, Natural Mixed Tocopherols and Tocotrienols, Sodium Cyclamate, Grape Seed Extract, Sucralose, Acesulfame Potassium, Retinyl Acetate and Black Pepper Extract.

WARNINGS: 1) Keep out of reach of children. 2) Use as a supplement to a balanced and varied diet. 3) Do not exceed recommended daily dose. 4) Pregnant women should not consume more than 800µg of retinol (pre-formed vitamin A) per day.

CHECK LIST:

- No artificial colourings
- No artificial flavourings
- No artificial flavour enhancers
- No artificial preservatives
- No Aspartame or Saccharin
- Sucrose free
- Lactose free
- Dairy free
- Egg free
- Wheat free
- Gluten free
- Suitable for vegetarians
- Suitable for pregnant women
- Suitable for diabetics
- Suitable for children
- Non GM

SUPERIOR FORMULA:

- Potent antioxidant complex
- Full spectrum carotenoids
- Esterified vitamin C (Ester-C®)
- Full spectrum vitamin E
- Patented absorption enhancer
- Great tasting!
- Combats oxidation, which causes premature ageing
- Helps protect against cellular damage
- Eliminates harmful free radical toxins

DID YOU KNOW?

- An antioxidant is a substance that neutralises 'free radicals', which cause damage to our cells through oxidation, leading to disease and premature aging.
- Free radicals are produced in the body through normal metabolism, but also as a result of exposure to chemicals in foods (e.g. pesticides), in the air (e.g. cigarette smoke, exhaust fumes), in products applied to the skin (e.g. cosmetics, personal care products); as well as radiation (e.g. sun rays, mobile phones).
- Ever increasing exposure to synthetic chemicals and chemical mixtures is thought to have increased our basic need for antioxidants
- Many people's diet does not supply adequate quantities of antioxidants
- Antioxidants contains OPCs, which are highly potent natural antioxidants extracted from grape seeds.
- Antioxidants also contains vitamins A, C and E, important antioxidant vitamins that increase the potency of OPCs even further.
- Bioperine®, a patented, clinically proven extract of black pepper significantly increases the absorption of other nutrients.
